

Quinn Lung, MPA, Applied Public Policy Research Fellow

Quinn Lung, CSI's Applied Public Policy Research Fellow, provides research support for various CSI projects. Prior to joining CSI, he spent several years working in the insurance industry, focusing mainly on property/casualty lines. He also has substantive experience in public relations, marketing, and recruitment for institutions of higher education as well as planning and implementing diversity and inclusion initiatives. Quinn holds a Bachelor's Degree in Chemistry and a Master's Degree in Public Administration. He is currently enrolled as a PhD student at the University of Colorado Denver's School of Public Affairs.
